

ओ३म्

ARYAN 2023

College Vision

Nurturing a holistic person through harmonious development of the body, mind and spirit.

College Prayer

Om bhur bhuvah swah. Tatsavitur varenyam.

Bhargo devasya dhimahi. Dhiyo yo nah prachodayat.

O God! The Giver of Life, Remover of pains and sorrows,

Bestower of happiness and Creator of the Universe, You are most Luminous, Pure and Adorable.

We meditate on You. May You inspire and guide our intellect in the right direction. (Yajurved 36. 3)

Om vishwani deva. Savitar duritani parasuva.

Yad bhadran tanna asuva.

O Lord! The Creator of the Universe! Remove all forms of vices and sorrows from us.

Give us good qualities.

(Yajurved 30. 3)

Om sahana vavatu, sahanau bhunaktu.sahaviryam karava vahai.

Tejaswina vadhitamastu, ma vidwisha vahai.

O God! Let us all unite and protect ourselves.

Let us provide service to others and let our studies be beneficial and effective.

Let there be no hatred amongst us.

(Taitiriye Aranyak 8. 1)

Om Shantih Shantih Shantih

O God! May we have spiritual peace.

May other beings and the environment (nature) give us peace.

Namaste

I pay my respect to you.

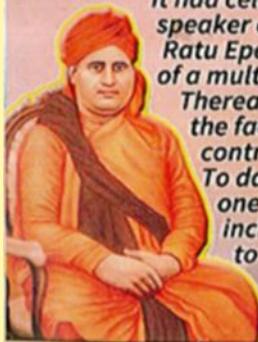

School History

In an era of racial discrimination, in 1952 when access to education for Indo-Fijians was difficult, the Sabha stood up for its community in Suva by establishing a College to cater for the rising demand. Pandit Ami Chandra Vidyalankar headed the institute as the first Principal.

The school started with a minor roll of 40, drastically rising to 80 just within a week and kept on growing since then. It was not all a bed of roses since difficult times had to be endured in the form of a devastating hurricane, space problems and the aftermath of a world war. The area today known as Dayanand Nagar was not easily attained.

All this effort did not go unnoticed and honourable dignitaries such as His Excellency, Sir Ronald Garvery, KCMG, The Governor of Fiji at that time, congratulated the Samaj for its effort for setting up an institution which was fully equipped and would later progress into a University College. He can be rightfully quoted as saying "One of the dreams of Pandit Ami Chandra, the first principal of the college has been fulfilled".

Jubilation followed congratulations when the very ground was named Dayanand Nagar and with a \$24,000 grant from the government, started to progress and never looked back. After 8 years of continuous labour, the building for male students was made and named D.A.V Boys College. Later on as demand increased the door was opened for all genders and the college was renamed as D.A.V College in 1996.

It had celebrated its Golden Jubilee on a very large scale and was honoured by the then speaker of the House of Representatives, the former President of the nation Honourable Ratu Epeli Nailatikau. After the golden jubilee D.A.V embarked on a quarter million project of a multi purpose stadium which glorifies the college in the entire neighbourhood.

Thereafter, neither the number of students nor the buildings stopped growing, despite the fact that on the time of establishment there was no system of government contributions.

To date, despite such a humble beginning the college has become one of the largest, level one secondary schools in Fiji. It has up to Year 13 classes offering a variety of subjects including TEST. Despite the achievement of so many dreams, the Sabha has not decided to stop yet and there is hope that one day D.A.V will develop into a university college.

Against all odds the Sabha stood tall and has produced in half a century, a large mainstream multi-racial urban school and imparts academic, religious, cultural and values education to all its students.

Principles of Arya Samaj

1. Ishvara (God) is the efficient cause of all true knowledge and all that is known through knowledge.
2. Ishvara (God) is existent, intelligent, and blissful. He is formless, omniscient, just, merciful, unborn, endless, unchangeable, beginningless, unequalled, the support of all, the master of all, omnipresent, immanent, unaging, immortal, fearless, eternal, holy, and the master of all. He alone is worthy of being worshipped.
3. The Vedas are the scriptures of all true knowledge. It is the paramount duty of all Aryas to read them, teach them, recite them and hear them being read.
4. One should always be ready to accept truth and renounce untruth.
5. All acts should be performed in accordance with Dharam, that is, after deliberating what is right and wrong.
6. The prime object of the Arya Samaj is to do good to the world, that is promote physical, spiritual and social good of everyone.
7. Our conduct towards all should be guided by love, righteousness and justice.
8. We should dispel "Avidya" – ignorance and promote "Vidya" – knowledge.
9. No one should be content with promoting his or her good only, on the contrary, one should look for his or her good in promoting the good of all.
10. One should regard oneself under restriction to follow the rules of society calculated to promote the well being of all, while in following the rules of individual welfare all should be free.

आर्य समाज के नियम

सब सत्य विद्या और जो पदार्थ विद्या से जाने जाते हैं, उन सबका आदि मूल परमेश्वर है।

ईश्वर सच्चिदानन्द स्वरूप, निराकार, सर्वशक्तिमान्, न्यायकारी, दयालु, अजन्मा, अनन्त, निर्विकार, अनादि, अनुपम, सर्वोद्यार, सर्वेश्वर, सर्वव्यापक, सर्वान्त्यामी, अजर, अमर, अभय, नित्य, पवित्र और सृष्टिकर्ता है। उसी को उपासना करना योग्य है।

वेद सब सत्य विद्याओं का पुस्तक है। वेद का पढ़ना - पढ़ाना और सुनना - सुनाना सब आर्यों का परम धर्म है।

सत्य के ग्रहण करने और असत्य के छोड़ने में सर्वदा उद्यत रहना चाहिये।

सब काम धर्म अनुसार, अर्थात् सत्य और असत्य को विचार करके करना चाहिये।

संसार का उपकार करना इस समाज का मुख्य उद्देश्य है, अर्थात् शारीरिक, आत्मिक और सामाजिक उन्नति करना।

सबसे प्रीति पूर्वक धर्मानुसार यथायोग्य वर्तना चाहिये।

अविद्या का नाश और विद्या की वृद्धि करनी चाहिये।

प्रत्येक को अपनी ही उन्नति से सन्तुष्ट न रहना चाहिये किन्तु सबकी उन्नति में अपनी उन्नति समझनी चाहिये।

सब मनुष्यों को सामाजिक, सर्वहितकारी नियम पालने में परतन्त्र रहना चाहिये और प्रत्येक हितकारी नियम में सब स्वतन्त्र रहें।

EDITORIAL

Dear Students, Teachers, and Parents,

It is with great joy and pride that we present to you the latest edition of our *Aryan 2023*. This publication stands as a testament to the talent, dedication, and creativity that flourishes within the walls of our beloved institution. In the midst of a rapidly changing world, our school continues to be a nurturing ground for knowledge seekers, dream chasers, and future leaders. Our students, with their inquisitive minds and unwavering enthusiasm, embody the spirit of curiosity that fuels their thirst for learning. As we flip through the pages, we are reminded of the countless memorable moments that have colored this academic year. From the laughter echoing in the hallways to the earnest discussions in classrooms, each experience has contributed to the vibrant tapestry of our school community. This magazine not only showcases academic achievements but also celebrates the diverse array of talents that grace our school family. From the artists who paint emotions onto canvases to the athletes who exemplify determination on the field, we are truly blessed with a myriad of talents that define us as a dynamic and inclusive community. Moreover, this edition delves into pressing global issues, reminding us of our responsibility to the world beyond our campus. We encourage our readers to reflect on these matters and realize that even as students, we have the power to make a positive impact on the world. None of this would have been possible without the unwavering support of our dedicated Principal, Vice Principal, Assistant Principal, teachers, students and the cooperation of our supportive parents. Their commitment to nurturing our potential is the cornerstone of our achievements. As we close this chapter and look towards the future, we are filled with hope and anticipation. The world beckons us with boundless opportunities, and we are confident that the foundation we've received from this school will guide us towards success. We hope this magazine serves as a cherished keepsake for years to come, reminding us of the indelible memories we've created together. Let us continue to write our stories, support one another, and strive for excellence in every endeavor.

Thank you to the entire magazine team and contributors for their hard work in bringing this magazine to life. We extend our gratitude to college Administration, staff, and parents for their unwavering support

Happy reading!

PRINCIPAL REPORT

“Live as if you were to die tomorrow, learn as if you were to live forever.” Mahatma Gandhi.

Namaste and warm greetings to all.

“Education is shared commitment between dedicated teachers, motivated students and enthusiastic parents with high expectations.”

As 2023 academic year nears the end, it is time for reflection on happenings at the college during the year. Through this issue, I send my greetings to hundreds of parents, students, teachers and well wishes of the DAV College, Suva.

Today, the role of a school is not only to pursue academic excellence but also to motivate and empower its students to be lifelong learners, critical thinkers and productive member of an ever-changing global society.

DAV College has come a long way from its inception in 1952. During its journey, the school has grown with each passing year. Each time, it has added new ideas, new dimensions, new technology and/or new infrastructure to ensure that as an institution, DAV College is able to meet the growing demands of its students, teachers and the community as a whole.

It is apparent that for quality education, we must have quality teachers, quality resources and quality teaching and learning. The time has come when the college must consolidate these to raise the standard of education in our society. Let me also add here that parents also have a vitally important role to play in ensuring that their children have a successful “education, cultural and spiritual journey.”

With education transformation of 21st century, DAV College, Suva has immeasurably focused on eLearning. Virtual learning method includes Moodle platform, OHP, smartboard, smart TV in classrooms. This eMagazine published via school Moodle and website platform is not only an easy access to content but also portable and convenient.

As 2023 academic year winds up, I take this opportunity to thank the hardworking Manager of the school, my two deputies, school management team, dedicated teachers, students and the parents for providing me with incessant assistance, guidance and co-operation in all facets of work this year.

Finally, I take this opportunity to congratulate Ms. Velaidan and the Editorial Team for excretion in producing “The Aryan 2023”.

May the good Lord continue to shower his blessings on all of us.

Have a meaningful holiday, a momentous Christmas and bountiful and fulfilling 2024.

Mr. Amit N Prasad

Principal

MESSAGE FROM THE PERMANENT SECRETARY FOR EDUCATION

Ms. Selina Kuruleca

Ni Sa Bula Vinaka, Namaste and Warm greetings to you all members of the DAV College Community

I am honored to have the opportunity to address you in the pages of this year's school magazine.

DAV College's journey, starting in 1952, is a story of growth and determination. From facing challenges to celebrating successes, we've come a long way together. It's incredible to see our school evolve, marked by milestones like our Golden Jubilee and the creation of a multipurpose stadium.

To our students, your dedication to learning, sports, and community service is truly commendable. As we look back on our achievements, let's also look forward. Embrace the diversity around you, take on opportunities, and don't forget to enjoy the simple habit of reading for at least 30 minutes every day. Let reading be a lifelong friend.

Permanent Secretary for Education

To our amazing teachers, you're the guiding lights for our students. Your hard work shapes the success stories of DAV College. A big thank you for your dedication! Encourage our students to develop a love for reading, it's a gift that lasts a lifetime.

Parents, your support at home is crucial. Your involvement contributes greatly to our students' success. Make reading a family affair spend some time reading together. It's a wonderful way to learn and bond.

DAV College community, as we flip through the pages of our annual magazine, let's celebrate our collective journey. Our successes and shared experiences make us who we are. Let's also remember the importance of mental wellbeing. Create a space where everyone feels heard and cared for.

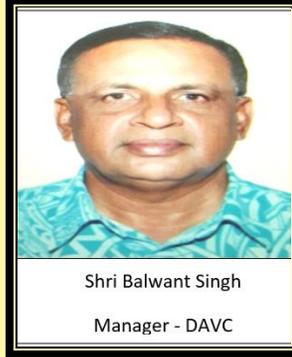

As we wrap up the year, I wish you all a Merry Christmas and a Happy New Year. May the holiday season bring joy, and the new year be filled with exciting opportunities. Enjoy the holidays responsibly, and let's look forward to another year of growth and achievement.

With warm regards and abundance blessings

Ms Selina Kuruleca

Permanent Secretary for Education

MESSAGE FROM SCHOOL MANAGER

Namaste and a very warm greetings to all the readers of our 2023 E-magazine.

It is very encouraging to note that we have progressed well in all areas of school activities such as academic work, resource & infrastructure development, sports and behaviour management of our students. We must be very proud of our school's current achievements and work with stronger desire and determination to further improve and achieve greater success in future. For all our achievements this year, I wish to thank the principal and his staff members, including the ancillary staff for all the hard work. I also thank all the students and their parents and guardians for their support and cooperation.

The principal and his staff are highly commended for maintaining a high level of discipline in the school. Disciplinary issues and social problems cause disruptions to the teaching and learning process in the school system. To counter these problems our school has always focused on the teaching of moral and cultural values. Parents and guardians are kindly requested to fully support the school and their children in maintaining a high level of discipline and good behaviour.

The founder of Arya Samaj and our school's patron saint, Maharishi Swami Dayanand Saraswati was a great social and religious reformer who promoted true knowledge of Vedas and propagated for equal opportunities in education for all. Our school will be the venue for the 200th Maharishi Dayanand Saraswati Birth Anniversary Celebration (1824-2024) in February 2024. Our planning and preparation for the event has already started. We seek support from everyone to make this program a successful one.

Some major building upgrading works and Laboratory renovation has been carried out at the beginning of this year. Further renovation works to school buildings and washrooms are planned for the end of the year. Virement of funding from Ministry of Education is in progress.

A special thanks to the principal for working very closely with the school management to achieve our common goals in improving the facilities for teaching and learning and in the delivery of quality education to the students. A very special thanks to the school for respecting and upholding the Sabha's policies.

Parents, guardians and all the students are thanked for their support, cooperation and understanding in the smooth running of the school. Best wishes to those students who will be leaving us at the end of the year.

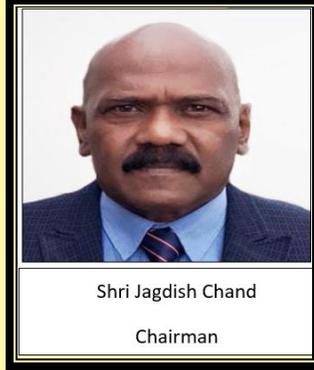

I wish to thank the Southern District Board of Governors and Arya Pratinidhi Sabha of Fiji for all the assistance and guidance provided to the school.

I also wish to thank the Ministry of Education for the support and assistance to our school.

Finally, I wish to thank all those who have made donations and have contributed to the achievements and success of DAV College. I wish everyone a very bright future.

Best wishes.

BOARD OF GOVERNOR REPORT

I am deeply honoured to contribute to ARYAN, the annual publication of DAV College Nabua. The 2023 issue is second e-magazine of the college following the outburst of the Pandemic, which provides a platform for wider distribution and at a minimal cost. The platform has become a medium to connect many of the college alumni and all well-wishers spread in various parts of the globe.

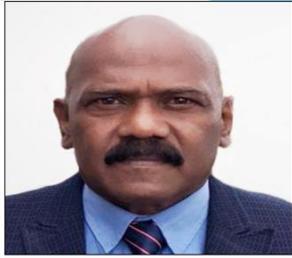

Arya Pratinidhi Sabha of Fiji stood up for its community in Suva and established a College to cater for the rising demand in 1952 when access to education was difficult for the Indo-Fijians due to racial discrimination in the colonial era. The College was headed by Pt. Ami Chand Vidhyalankar as the first principal. The College started with a mere 40 students which quickly rose to 80 within a week and the student numbers kept on rising since then. It is not all a bed of roses since difficult times had to be endured in various forms and shapes. Devastating hurricanes, space problems and aftermath of World War are some to note. Despite the socioeconomic environment is not fully rejuvenated, we are happy to be a peaceful land, Fiji and pray to the Almighty that DAV College, at Dayanand Nagar in Nabua remains a source of education both academic and Vedic.

The College boasts a high roll of about 900 plus students, highest of all our 6 Colleges Fiji wide. The area on which DAV College is situated is known as Dayanand Nagar. The management and the Sabha is proud to be identified with the College's achievement both academic and sports. With the emphasis given to Vedic cultural and moral education, we are duty bound to prepare a generation that will be enriched with such morality that will see not only the individual prosperity, but the community at large.

I take this opportunity to thank the current Head of School, Mr Amit Prasad for steering the institute in the right direction. My sincere appreciation to the Vice Principal, Assistant Principal, wonderful teaching staff together with the Admin Team and the ancillary workers for working towards the common goal of the College, Management and Ministry of Education. I would be failing in my duty for not acknowledging the future of our nation, the beautiful students for choosing DAV College as the stepping stone for yet another challenge ahead.

I wish everyone a pleasant holiday and successful endeavors ahead.

THE VICE PRINCIPALS REPORT

Namaste and greetings to all. We here at DAV College, promote experiential learning which allows a child's social, emotional and physical development by keeping in mind the demand of present age, which allows a lot of exposure for the students. When we are able to understand the needs of children, especially emotional needs and act upon it, we can make them emotionally strong and firm.

Our students have reached the greater heights and have illumined the name of the College and I thank Almighty God for giving me the opportunity to serve at this highly prestigious institution, DAV College as the Vice Principal. It gives me great pleasure to send a message to the readers through the e- magazine, our annual publication "ARAYAN".

With the fast evolving and self-elevating society, Education has also had its share of evolution. The 21st century education is based on real life situations powered by technology. This digital age has brought the school, teachers and students together to work as a team to build a holistic atmosphere which is sensitive to each ones need, and, in the process, grows and is a reason itself for one's self growth.

The students come here with a great hope and vision and achieve their dreams. The aim of the college always has been to bring out the best in the students and make them better citizens. The college always tries to impart in the students the academic excellence, a sense of duty, discipline and above all moral and humanitarian values which are a need of the time. With the cooperation of the parents and guardians we can form our students and help them attain the excellence.

Adding to it, along with a great responsibility of parents and teachers I also would like to make the students aware of their responsibilities towards the parents, school and towards the society. In this present time as students grow rapidly to their age, they should act responsibly in their behavior and actions. When the students become aware of themselves and the surroundings, they act responsibly. And hence it is also our task to bring awareness in our children.

At DAV College, we are developing our students in the aspects of Science, Arts and technology so that they attain their career goals and pursue their interest.

We believe in providing a supportive and a well-equipped learning environment for our students in which each child is unique, is equal and every achievement is celebrated with full vigor.

I foresee a better future of the children in this institution and with the cooperation of the parents along with the parents we can take our students to a great new height. I wish all the best to our staff and children. Let us make the difference in the world. glory.

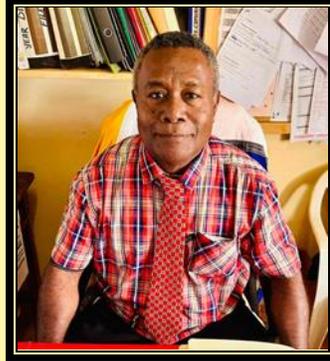

Finally, I wish to thank the Management, Principal, Assistant Principal and hardworking, most dedicated team of teachers, students, college management, Ministry of Education, parents and well-wishers for their tremendous corporation, contribution and continuous support.

Best of luck to those students sitting for their external examination and best wishes to the departing Year 13s. May God bless you all and Merry Christmas and Prosperous new year to all.

I sincerely pray to Almighty God to shower his choices blessing on us all the time.

Mrs. Jotika Chand
Vice Principal

MESSAGE FROM ASSISTANT PRINCIPAL

The greatest day in your life is when you take total responsibility for your attitude. That's the day you truly grow up. "John Maxwell"

2023 has again been another challenging year for DAV College. Despite and in spite of this challengers, it has been another blessed year of serving in this noble profession guiding and molding the students under our care.

First and foremost, I would like to thank God for the power and strength to carry out our duties every day in 2023. Thanking also the management, school principal, vice principal, all the staff and all the auxiliary staff for all your support, love and care throughout the 2023 academic year. Without your support, it would have been very tough and hard to carry out my role, duties and responsibilities in the school.

To the head prefects, senior prefects, interim prefects, student council heads and all the student council members, thank you for attending to your duties. Your contribution has made a big difference. Thank you for enduring and not giving up. I'm sure, you have all grown as leaders though those challengers.

The teachers on duty, thank you for the duties done every week. Coming early in the morning, attending to your duty areas, staying back in the afternoon. Thank you. Really appreciated.

For the year 13 students who will moving on to the next chapter of your lives, you need to be focused, stay focused and remain focused or you will be left behind in this very competitive world. Distractions will be many in various forms but he/she that stays focused will realize his/her dream,

To the returning students, enjoy your break but come next year with a new mindset. One that will take you to success.

May all have a blessed Christmas and a prosperous 2024 academic year.

Vinaka.

Mr. Loga (AP)

HEADBOY REPORT

“PHILIPINES 4:13 - I can do all things through Christ who strengthen me.”

Whenever we are at the end of something, we all start to look back from where it all started. All I can look at are memories shared and with the journey that I came through for the past 5 years and it is hard to believe that it has all come inside and stored in the closet. Time indeed flies and it is painful that it is time to say good bye to the never-ending learning institute. The memories and the lesson learnt since entering the college are things to cherish forever.

First of all, I am grateful to the school staffs for believing in my potential and giving me the opportunity to serve my school as the head boy.

From the very first day in the school, I have learnt many lessons not just limited to academics but about life. And on the basis of that , I can surely say that DAV college is not related to curriculum ,instead its is a school where one is taught lessons related to life as well.

Moreover, with the help and guidance of the assistant principal, **Mr Matia Loga** and the prefects council effective changes were brought to DAV college discipline which contributed to a better academic performance. I would like to give sincere gratitude to all my prefects council members and student council for their hard work, perseverance and sacrifice throughout the year.

Nevertheless, I would like to extend my sincere gratitude to my form teachers **Mr. Ugesh Lal, Mrs. Moreen Prasad** and not forgetting **Mrs. Nuku , Mr. Ashvic** for their support in upholding the responsibilities handed to me. On the same note, I would also like to further extend my hearty gratitude to my subject teachers for their support, advice and continuous guidance. Not forgetting all the year 12 & year 13 students for their kind support and co-operation.

In conclusively, this year was indeed a challenging year, coping with the academic work, participating in other extra-curricular activities of an ideal head boy was a challenge. I hope my hard work and sacrifice were good to meet the expectations and hope I delivered what was expected of me.

Finally, I would like to wish the DAV college family a Merry Christmas and a Happy New Year.

“ BE STRONG , NOT RUDE , BE KIND NOT WEAK ,BE BOLD ,NOT A BULLY, BE THOUGHTFUL ,NOT LAZY, BE HUMBLE, NOT TIMID ,BE HUMOR, WITHOUT FOLLY:

(THE CHALLENGES OF LEADERSHIP)

Thank You **AISEA JUNIOR DAVUIQALITA.**

HEAD GIRL

"Education is not the filling of a pail, but the lighting of a fire." - William Butler Yeats

I am honored to present the Head Girl's report for Dayanand Anglo Vedic College for the academic year 2023. It has been a year of growth, achievement, and commitment to our college's values and mission.

Academic Excellence:

Our commitment to academic excellence has remained steadfast. I am pleased to report that our students have continued to shine in various academic pursuits. Our teachers' unwavering support and dedication have played a pivotal role in nurturing the minds of our students. The high grades, impressive performances in extracurricular activities, and various awards and scholarships received by our students are a testament to our commitment to academic success.

Culture and Arts:

Our cultural and arts programs have been thriving, showcasing the rich diversity and talent within our college. Our students have actively participated in various cultural events including the Veda Sapha, and their performances have earned accolades. Our Fiji Day, Teachers' Day and Children's Day Celebration was a huge success. Teacher's Day program was organized by the senior and junior prefects which turned out to be of great liking to all the students and teachers, and it provided a platform for students and teachers to express their creativity and artistic talents.

Sports:

Our college sports teams continued to excel, achieving remarkable results in a variety of sporting disciplines. Our athletes demonstrated dedication and sportsmanship, which were key in bringing numerous trophies and medals back to our institution. The sports culture at D.A.V College remains strong, promoting physical well-being and fostering a sense of teamwork and competition.

Challenges and Opportunities:

It is essential to acknowledge that we have faced our fair share of challenges throughout the year, from the disruptions caused by the ongoing global health crisis to the usual academic pressures. However, it is through these challenges that we have grown stronger, more resilient, and adaptable. I believe that these experiences have prepared us for the challenges that lie ahead and the opportunities that await us.

Looking Ahead:

As I near the end of my term as Head Girl, I am filled with hope and optimism for the future of Dayanand Anglo Vedic College. The relationships we have built, the knowledge we have gained, and the values we have imbibed will continue to shape our lives beyond these walls. I encourage my fellow students to carry the torch of excellence and continue the legacy of this great institution.

I would like to extend my heartfelt thanks to the Principal, Vice Principal, Assistant Principal teachers, staff, senior prefects and my fellow colleagues for their unwavering support and cooperation during my tenure as Head Girl. It has been an honor and a privilege to serve this college, and I will cherish the memories and experiences I have gained here. I look forward to the continued progress and success of D.A.V College, and I have no doubt that our future is filled with promise and achievement. Thank you and I wish everyone all the very best for their future endeavors

STUDENT COUNCIL REPORT

As someone who aspires to become the best version of myself, I wish to remind everyone that you have the power to make a difference in the world. It doesn't always have to be a grand gesture to change the world and you may not always be awarded and credited for your efforts so ensure that you do things for the right reasons and not for personal gain and pleasure. It may not be easy to walk on the path you have chosen but do not be discouraged because you are lonely. Always prioritize yourself and your mental health first and foremost.

Being part of the student council, I was able to help regulate discipline in the school along with my team and had the opportunity to bring up student's concerns to the higher authorities. We are also grateful to be able to organize events such as the end of term "fun day" to help the students relieve exam stress and promote physical and mental growth.

There will be times when you feel like weight upon your shoulders is weighing down on you but don't give up! Always believe in yourself.

Student Council President

Rajnita Devi Lingam

SOCIAL SCIENCE DEPARTMENT REPORT 2023

The dynamic department consists of 6 dedicated and hardworking teachers who have made the year successful. Mrs Janet Vuniwaqa joined our Department in term 2. She has majors in Geography and History. Social Science is concerned with everyday living of an individual. It is the study of the physical, social and cultural features, meeting the needs of the individual throughout the lifespan and how they manage the resources to achieve the quality of life desired.

The department offers subjects like Geography, History and Social science.

The importance of these subjects are as follows:

The Importance of the Social Sciences. ... In general, social sciences focus on the study of society and the relationship among individuals within society. Social science covers a wide spectrum of subjects, including economics, political science, sociology, history, archaeology, anthropology, and law. History is really important because it helps us understand why we live the way we are living and why we are where we are as a species and country. Studying history allow to learn from the mistakes of our ancestors so we do not do the same things they did and work to become a better place.

Geography is a focus within the curriculum for understanding and resolving issues about the environment and sustainable development. It is also an important link between the natural and social sciences. As pupils study geography, they encounter different societies and cultures. The teachers in the department continuously guided and inspired the students to achieve best in their academic arena. Furthermore, the department organized the department week to enhance more understanding of Geography, History and Social Science. The students were engaged in wide range of activities throughout the week. The students were engaged in Poster presentation, Quizzes, oral presentation , speeches ,Flag competitions and character parade

Finally, I must render my heartfelt gratitude to the Principal, the students and the community for the continued support. I would like to sincerely thank my department teachers for their dedication and hard work. I am adamant that extensive resource which we have, together with the unconditional and tireless support of the staff, the department has fulfilled aspiration to everyone.

We look forward to similar sentiments expressed

LANGUAGE DEPARTMENT

BACK (L-R) MRS. FARISHA F ALZIYAD, MISS RASIKA ASHWENI NARAYAN, MR. KUNAL KAUSHIK, MRS. BHUNESHWARI REDDY, MRS. JADE F Z KHAN ABBAS

FRONT (L-R) MR. KRISHNIL ANAND KUMAR, MISS. MELITA MALIMALI GONEKALOU, MRS. SASHI REKHA ANAND (HOD), MRS SALANIETA NATU NUKU, MR. LASARUSA RAKULA

Namaste to all.

It is with profound pleasure that I present the report for the Language department for our 2023 e-magazine.

The department comprises of ten highly enthusiastic and industrious teachers who teach English, Hindi and VosaVakaviti. The department had some new inclusions at the beginning of the year as part of the team. Mrs. Rashika Sharma joined the department from M.G.M. High and Ms. Poonam Raj from Nabua Secondary. In Term 2, Ms. Raj went on Leave Without Pay and later resigned to migrate to New Zealand. Mr. Lasarusa Rakula, who had been part of the team from 2020 joined the Ministry of Education from Term 3. Mr. Melvin Singh replaced Ms. Raj and Mrs. Sosefina Rokosuli replaced Mr. Rakula.

With sincere commitment and dedication, the year ended on a good note. Some of the activities that the department took part in were International Mother Language Day, Literacy week, Language week, APS organized oratory contest, New Zealand High Commission Essay Competition and National Library week. The students' talents were showcased through the book markers, posters, poems, model displays, character parades, dramas and essays that were displayed during these departmental weeks.

I would like to convey my hearty wishes to all the students sitting for external exams this year.

Wishing everyone Merry Christmas and a Prosperous New Year.

MATHEMATICS AND PHYSICS DEPARTMENT

**BACK (L-R) MR. NAVINESH NAVEEL PRASAD, MR. ABHISHEK CHETTY, MR. ATENDRA SHARAN, MR. UMESH CHAND PRASAD
FRONT (L-R) MRS. TITILIA M TIKOINADRAMAI, MS ANJANA S LATA, MS AKOSITA LEDUA**

Mathematics is a unique subject that causes many negative emotions. It is an instrument for the development of all other sciences. Knowingly or unknowingly, we are using mathematics in every facet of life. However, majority of students across the world dislike mathematics and this makes the teaching of mathematics a challenge in 21st century.

One of the main challenges to mathematics teacher is to make a positive attitude in students toward learning mathematics. Therefore, teachers should be aware of students' affective beliefs and inter relations of those in learning mathematics so as to employ more effective strategies in teaching and to improve students' mathematics learning by reducing their negative beliefs

The Mathematics and Physics department in the school comprises of 7 energetic and dedicated teachers to facilitate the teaching and learning of Mathematics and Physics. Mathematics is offered at all levels in the school, however, students at upper levels have to choose between Life Maths and Pure Maths. Life Skill Mathematics was introduced in the secondary school curriculum for students who had difficulty in learning concept taught in pure maths.

The year 2023 was quite an eventful one for the Mathematics and Physics department as it conducted a series of activities to motivate students. The department conducted numeracy program throughout the year. Targeting slow learners and giving them individual attention is one of the many strategies teachers have opted for to improve results.

An action-packed department open day was organized in Week 7 of the term 2 comprising of speeches, models and posters and booth displaying information on the importance of Mathematics and Physics in life. Students were engaged in wide range of activities though out the day. The department also gave exposure to students to learn mathematics outside the four walls classroom, hence giving them opportunity to participate in the Fiji Mathematics Association organized, the Team Mathematics Competition (TMC) and Fiji Mathematics Competition (FMC) after a lapse of three years.

The teachers in the department have remained focused throughout the year. Therefore, I would like to thank the members for their tremendous support, dedication and commitment in the running of the department. Finally, I would like to wish every student best of luck in their exams and future endeavours.

COMMERCE DEPARTMENT

**BACK (L-R) MRS. MARICA KENATALE, MS. JOTIKA D. CHAND (VICE PRINCIPAL), MRS ESMERALDA PETERO
FRONT (L-R) MR. SAHIL LAL, MRS. SHAVINA A SINGH, MR. LOGA MATIA (ASSISTANT PRINCIPAL)**

“COMMERCE IS THE EQUALIZER OF THE WEALTH OF NATIONS”

Warm greeting to all.

It is indeed a pleasure to forward a report for the ARYAN 2023. The department consists of 7 diligent teachers. The new year brought in several changes in the department. This year was a challenging year for the department as two of our members were in the administrative roles, Mrs Jotika Chand was in Vice Principal's position and Mr. Matia Loga was in Assistant Principal's position. To add on to this, Mr. Sydney Koroi, a senior teacher joined another school and he was replaced with Mrs Esmeralda Savike Petero . Despite these challenges the department was fully focused on improving external examination results. The result from last year's external exam was a motivating factor for the department in 2023. With the availability of teaching resources, qualified and experienced teachers have allowed us to remain optimistic that we can improve the academic results of the students.

Commerce department has been instrumental in providing the students with thorough knowledge and understanding of the principles of commerce, business and economic situations in order to prepare and adjust to the challenges to today's world and job opportunities available in the market. The department offers commercial studies to year 9 and 10 while year 11,12 and 13 have choices of Accounting and Economics available at their discretion. At this juncture, I would like to acknowledge the hard work and dedication of the teachers and all the commerce students of 2023. Commerce department is enthusiastic about imparting all relevant and current knowledge and skills to students so that they are able to compete on today's fast-growing economies both in local and global market.

I would also like to extend my appreciation to the administrators and the ancillary staff for their help and support throughout the year.

I wish all the Year 12 and 13 students sitting for external examination the best of luck and may the Almighty's blessings be upon each and every one of us.

SCIENCE DEPARTMENT

HOD SCIENCE

PEMAC DEPARTMENT

(L-R) MR. ASHNEEL RAJ, MR. ATISH RAJ KUMAR(HOD)

VISION: To accomplish excellence in sports, music, arts and facilitate the activities to cater for the student's needs and interest.

MISSION: To develop and enhance talents and skills through physical activities art, music and cater for the students' needs and interest.

Greetings from the PEMAC Department to the readers. The department has two very enthusiastic and hardworking teachers who are trying their best to implement the intended curriculum and carry out the assessments respectively. The department has a firm belief that impartation of knowledge is not confined to the four walls of the classroom. Hence students are always given opportunity to extend and explore their potentials by participating in physical activities such as sports, Athletics at different levels, Zone meet, soccer and netball. The department organized and facilitated training sessions for soccer, athletics and netball teams.

ATHLETICS

A delegation of 34 athletes took part in Suva Zone1 meet.

INTERFORM SPORTS

The departments also organized inter- form sports, soccer, volleyball and Netball in conjunction with the student's council during term one and term two.

NETBALL

The under 15, under17 and under 19 teams participated in the tournaments organized by Secondary schools Netball Association

SOCCER – soccer has been a thriving event for our school. Soccer has been a tremendous success for our college up to Suva district and Southern zone level.

- Under 17 and Under 19 teams have been crowned as the SSSSA Champion after winning all its matches on a round robin basis. Under 15 has been the Runner for Suva District.

I would like to express my sincere gratitude the Principal and staff of D A V College, students and parents for assisting the soccer, Netball and Athletics teams during the games. I must render my heartfelt gratitude to the management, the students and the

community for the continued support. I am adamant that extensive resource which we have, together with the unconditional and tireless support of the staff, the department has fulfilled aspiration to everyone. We look forward to similar sentiments expressed in future.

Wishing you all a safe enjoyable holiday.

HOD

PEMAC MR. ATISH KUMA

INDUSTRIAL ARTS DEPARTMENT

BACK (L-R) MR. SHIVNIL RAJ, MR. ASHNEEL V CHAND, MR UGESH SALENDRA LAL

FRONT (L-R) MS. VIRISILA TINANIBOLA, MR ATENDRA SHARAN(HOD)

The department of Industrial arts topographies manufacture of objects in wood and metal using a variety of hand power and machine tools. The department consists of four energetic teachers are: Mr Ugesh Salendra Lal (Acting HOD), Miss Virisila Teriakiv, Mr Ashneel Vikash Chand and Mr Shivneel Kumar.

Subjects offered by this department are:

– Basic Technology – Year 9 & Year 10 – Applied Technology – Year 11 to Year 13 – Technical Drawing – Year 11 to Year 13

We as department teachers are ready to teach all students irrespective of gender.

With the department's vision to strive for the best hand on skill and the promising job opportunities and more students have shown keen interest in taking up these subjects. Majority of former students have also excelled with the department's subjects and have ended up in taking subjects like Bachelor of Engineering, Diploma in Electrical, Mechanical, Civil, Architectural, Automotive, Building Engineering and Quantity Surveying, Land Surveying. Trade certificate in Carpentry and Joinery, Electrical, Mechanical, Welding and Fabrication, Refrigeration and air conditioning, Plumbing etc. Some even have taken up related jobs e.g. Technical Teachers, Managers and Apprentices etc. The projects that students do are on Renewable Energy based.

This is to help to generate energy that produces no greenhouse gas emissions from fossil fuels and reduces some types of air pollution. Diversifying energy supply and reducing dependence on imported fuels. Creating economic development and jobs in manufacturing, installation, and more. The department teachers and students are yet again focused to achieve another mile stone result as it had been achieving in past. The department achieved 100 per cent pass rate in all of its external exams.

The other objectives of the department are to prepare the students for the world that awaits them after the school years.

In addition, the department has assisted in designing and constructing projects for the school in order to upgrade the school facilities.

To conclude the department is well resourced in terms of textbooks, resource materials and teaching aids which ensure students time in the classroom is worthwhile. Let's join hands together to promote Green Technology in the Industrial Arts Curriculum in DAV COLLEGE SUVA

OFFICE TECHNOLOGY DEPARTMENT

(L-R) MS JIUTATICI LAGILAGI, MRS. USHA CHANDRA

The Office Technology is the study of information technology and business administration. It caters for students who wish to proceed further in business – related fields. Because technology is constantly evolving, the office technology of a decade from now could look very different. At one period in history, office technology was the stapler or the light bulb, so it has and will continue to evolve dramatically over time. The information acquired officially coming about an individual has an example of thought and conduct as per the training they have acquired. At the Office Technology department, our main aim is to meet the needs of an individual child and acquire skills and knowledge easily if we make the surroundings purposeful and conducive. The Office Technology department strives to face all challenges and do the best for our students.

I acquired the role of Teacher In Charge for Office Technology in April this year. The department consists of two hardworking teachers, Mrs. Lagilagi and myself who shares the teaching load. Students from year nine to year thirteen take Office Technology.

The department teachers work tirelessly to support our students at DAV College. The Office Technology department strives to prepare students for real life challenges to match with the advanced technology and globalization. We have been collectively working to serve the cause of education for the betterment of our children here at DAV College.

I would like to thank the principal and the vice principal for their tireless support rendered to the Office Technology department. I am confident that with the support and co-operation, we will take the Office Technology department to the next level.

I wish everyone a Merry Christmas and a Joyous 2023

Thank You

Ms. Usha Chandra

(Teacher-In-Charge Office Technology)

COMPUTER DEPARTMENT

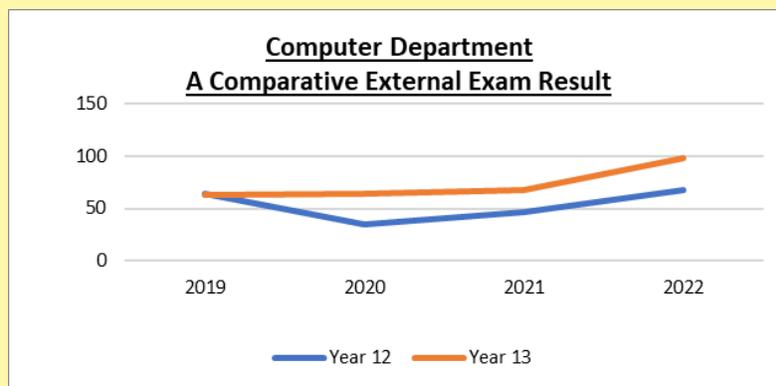

MR. INOKE SENIYARO

Computers have indeed become an integral part of our everyday life that one almost cannot fully complete a day's work without it. At DAV College, Computer Studies is introduced to students from Year 11 to Year 13 on the need to be computer literate for firm learning and the need to be career focused and IT skilled in this millennial era. In the first half of 2023, the department was spearheaded by Mrs Alisabeta Babale who has left for greener pastures with the assistance of Mr Seniyaro who has skillfully maneuvered the department for approximately 12 years today. Taking over the reins this Mid-June, my heartfelt appreciation and thanks is rendered to these two personnel for successfully holding the fort for the department in the years passed. Currently, the department consists of 4 streams of Year 11 to 12 and 3 streams of Year 13. The department has seen a consistent growth in interest from the students taking the roll to 241 compared to 230 last year. It is envisioned that as the year increase, the number of students taking the lesson will also increase. Since 2022, due to increased demand from students to be enrolled in the subject, classes had to be merged to meet the needs of students and cater for the teacher number existing in the department.

The following tables summarize an analysis of students that constitute the Department and a comparison of external exam results in previous years.

Level	No. Students
1102	46
1103	18
1104	18
1105	11
1202	39
1203	9
1204	13
1205	29
1301	10
1302	40
1303	8
Total	241

The Computer Department also thank the School Management and its Administrators for their support in ensuring that students and teachers needs are catered for by furnishing the department with computers and its IT needs. With external exams at hand and as we anticipate the dawn of a prosperous 2024, the department wishes success to the students sitting for external exams, a joyous Christmas and fruitful New Year.

With thanks

Mrs Sala Curuk

AGRICULTURE DEPARTMENT

(L-R) MRS NEELAM NILESHNI RAJ (HOD), MR JOSAI VELA

“Agriculture is a fundamental source of national prosperity”

J.J. MAPES

The teaching of Agricultural Science aims to enhance students' skills and knowledge in preparation for their future. The department started the year with Mr. Josaia Vela Gauna and Miss Lusiana Baleinadi who was later replaced by Mrs. Neelam Raj. At this time I would like to acknowledge the hard working department teachers for their contribution towards the growth and success of the department.

This year a good number of students took up the subject where they were given chance to gain knowledge and skills, also enabling them to apply their theoretical knowledge into practical by carrying out hand on practices in school gardens.

Furthermore, the students also had a great chance to portray their talents during Technical & Employment skill training week and indeed, it was very enriching experience where students were able to explore various career opportunities in agriculture.

It is much pleasure to teach the subject especially where learning is student centered and students actively participate during learning and teaching process. The 2022 external results were analyzed and strategies has been implemented to achieve 100% result this year.

Eventually, I would like to express my sincere appreciation to the department member's, college administration team and management for their support throughout the year.

I wish all the best to year 12 and 13 students sitting for their external examination. Merry Christmas and a prosperous new year to all.

Mrs. Neelam Raj

Teacher- In- Charge-Agriculture Science

HOME ECONOMICS DEPARTMENT

(L-R) MRS. DARSHNA SINGH, MRS. RINA KHATRI

“Education is not learning of facts but the training of mind to think how to live harmoniously with nature.”

Thus, this department adopts a practical approach to a holistic development of students. It imparts knowledge concerning socio-economic, managerial, nutrition and sustainability in this contemporary society. The complexity of living in this era demands a formal training to solve the problems with greater degree of ease and satisfaction.

Fiji is in health transition. Our nutritional problems today are no longer related to deficiency but to excess. Nutritional deficiencies have diminished but issues related to excess and imbalance has increased. It's difficult to envision how real these problems are, thus students are taught to make informed decisions on wellness. In addition, the TEST department was entrusted upon to advocate on entrepreneurial skills during TEST week. It embraced transforming youth skills through various activities held throughout week 9 of term 2. It was exciting to see students exhibiting such fine soft skills. The display of their work empowered them to promote and use their valuable skills to become entrepreneurs.

Year 2023 had been challenging yet created positive transformations and promising results. The accomplishment of quality projects was a culmination of teamwork. Term three is inclined towards academic obligation in order to continue achieving 100% pass rate in external exams.

Finally, my earnest gratitude and appreciation to the Manager (Mr. B Singh), administration team, all students, teachers, ancillary staff, canteen staff, parents and all other stake holders for their cooperation in making this year a success. On behalf of the department, we wish students best of luck and success in their future endeavors.

“MERRY CHRISTMAS & a HAPPY NEW YEAR”

R. KHATRI

HEAD OF DEPARTMENT

RELIGION DEPARTMENT

MRS SAVITA CHAND

Namaste to all the Readers

Om sarve bhavantu sukhinah sarve santu niramayah. Sarve bhadrani pashyantu ma kashchit dukkha bhagbhavet.
Meaning: O Lord! May all living beings be happy. May all be free from sickness. May all prosper. May no one suffer pain.

I have been very fortunate to be part of DAV College in 2023.

It is indeed an honor and great privilege to contribute to our school's annual magazine. Students are imparted with moral values, such as performing Havan and reciting verses. Students also learn harmonium, Dholak and other musical instruments. They play the instruments during the programs organized for the school's Religious functions.

Our school had celebrated Bodh Diwas, Holi Sthapna Diwas, Ram Janm Diwas, Ved Saptah, Krishn Janm Diwas and will be celebrating Dayanand Nirwan Diwas and Deepawali before the academic year ends.

Religious lesson is offered from Year 9 to Year 11 with a total of 15 periods out of 18 in 3 days.

I would like to take this opportunity to thank the school Manager, Principal, Vice Principle, Assistant Principal and other staff members for assisting me in the various religious activities celebrated at DAV College.

I would like to sincerely thank the Administration and the Prachaar Committee for the continuous support given to the department throughout the year.

Pundita Savita Devi Chand
